£132,000

Floor plan to follow

The Prestige Buckland is a must view luxury lodge.

With a large open plan living and dining area including doors leading out to a spacious decking, you'll have plenty of space to entertain all your family and friends. The kitchen comes with everything you will need, including an integrated fridge freezer and dishwasher. There's even an island with seating so you can socialise whilst cooking up a storm.

The master bedroom comes with ample storage and includes an en-suite with shower. There's also a twin room and the surprise in the third bedroom is unique fitted bunk beds with a single in there also. The children will absolutely love being in there and allow the parents or grandparents to get some relaxing quality time as well.

Private sales are sold on behalf of the owner and are sold as seen. The retail price, details & contents are provided by the owner & a fixtures and fittings list can be provided prior to the purchase. Searles do not check the condition of the holiday home or check the items listed as present or working. Will have had a gas & electric safety check during the last 12 months, if not one will be carried out at the time of sale. A safety check only confirms the safety, not the working of appliances at the time of issue. The certificates are provided by the owner not Searles.
