Private sales are sold on behalf of the owner and are sold as seen. The retail price, details and contents are provided by the owner and a fixtures and fittings list can be provided prior to the purchase. Searles do not check the condition of the holiday home or check the items listed as present or working. The holiday home will have had a gas & electric safety check during the last 12 months, if not one will be carried out at the time of sale. A safety check only confirms the safety, not the working of appliances at the time of issue. The certificates are provided by the owner not Searles.
