Welcome to the new Willerby Mapleton lodge!

Modern, spacious and packed full of the latest mod cons, the Mapleton was designed for those who want that high tech get away.

Sleek and stylish, you can make lifelong memories when you own the Willerby Mapleton. Furnished with a soft grey colour scheme and lavender accent colours, it is a perfect place to have a calming time away.

The open plan lounge with its media wall and mood lighting is ideal for those evenings when you want to just chill and relax with the latest show or blockbuster.

The 3 bedrooms allow for the family to come down and enjoy their time away without the feeling of being on top of each other. The master bedroom also has an en-suite with a shower, meaning it will cater for any family, no matter the size.
