Improving on a well-loved tried and tested formula.

The Glaisdale ticks all the boxes; a well proportioned lounge area at every size, comfortable corner sofa and ample space to cook, eat and entertain. The Glaisdale is a trusted holiday companion to many holiday makers. Take a look and see why.

The updated neutral fabric colour palette is accented by the contemporary TV wall unit finished in acacia timber with black accents. Kitchen and dining areas connect the colour theme with updated cabinetry, marble effect work surfaces, gold brushed handles and splashback.

The luxurious soft furnishings bring the whole colour-way together in the well proportioned bedrooms. As standard, peaceful nights come courtesy of our Carnaby Comfort mattresses. Every bedroom offers ample storage and master bedroom features an en-suite bathroom with toilet and hand wash basin.
